Rough Ride - Jayne Rylon 2019-11-12

Sevan has been keeping secrets. She's not the errand boy everyone at the Wildfire outlaw motorcycle gang thinks she is. No, she's been playing a dangerous game, hunting their president from inside their ranks in the name of revenge. And if anyone finds out, they won't hesitate to kill her. Levi Jansen has always been drawn to Sevan, even when he thought she was a scrawny male mechanic named Rivet. He can't blame her for that since he's been hiding plenty too. As an undercover agent, he's relied on his tenuous partnership with ex-con, Ransom, to infiltrate Wildfire and build an ironclad case against them. As the three of them swirl deeper into darkness, they'll need to rely on each other to find their way out, and back home to Hot Rides. Otherwise they're doomed to become exactly what they've been fighting so hard to defeat. Allowing themselves to be distracted by desire would be the stupidest thing they could do. Unfortunately, it's impossible to ignore the sizzling attraction between them, complicating everything. This is a standalone book in the Hot Rides series and includes an HEA with no cheating. The series is part of the greater universe where both the Powertools and Hot Rods books are also set, so you can visit with many of your previous favorite characters and see what they're up to now!
